

## Community Service/Educational Grants

A grant providing money for 4-H youth to implement community service/educational activities

### Sponsored by the Outagamie County 4-H Leaders Association

**Who can apply?** Any 4-H club or committee can apply for a grant covering 50% of expenses, up to \$100 maximum reimbursement, per service project.

**(ie: club or group spends \$200, can apply for reimbursement of \$100)**

- An additional grant of 50%, up to \$100 maximum, can be applied for if club or committee spends additional funds and members present their community service activity at an Adult Leaders meeting, and submit an itemized report of how money was spent.

**(ie: The club or group must spend another \$200 to receive an additional \$100)**

**This is a 50% grant, meaning that the Leader's Association will only reimburse 50% of your clubs or committees approved service expenses.** The Executive Board will review/approve the grants during their regular scheduled meeting. Allow up to two months for approval/denial of grant request.

**Where do the funds come from?** Funds for this grant are from the Outagamie County 4-H Leaders Association. Fundraisers for the 4-H Leaders Association include the 4-H Dairy Bar during the Outagamie County Fair among others.

**What kinds of projects can get support?** Projects that:

- are determined and led by the youth, with support from adults;
- have a lasting, positive impact on the community;
- may involve organizations and individuals outside of 4-H as partners.

**How do we apply?**

1. Come up with a project that will benefit or improve your community.
2. Attach an itemized budget/report with receipts for your activity.
3. We encourage 4-H members to fill out this application themselves, or in partnership with an adult and submit it to:
