Greetings!

As I sit and work on this “Spring” newsletter, I am looking out the window at a wintery wonderland and find it almost impossible to imagine warmer temperatures and no snow on the ground. But I assure you it is coming! With that warmer weather comes lots of events and opportunities for growth, development, and leadership.

I would like to highlight that we are starting to work on improving communications to and from our office. There are many different ways that we try to communicate with you about upcoming events, activities and information. Did you know we are on Facebook, Instagram, Twitter, and YouTube?! We also use e-mail, snail mail, and our website to let you know all that is going on in Outagamie County 4-H. We highly suggest that you find us on social media. Also, we are asking for your help on improving our methods of communication. If you have any thoughts, ideas or suggestions, please contact me!

Along the same lines of winter weather and communication, in the event of a last minute weather related cancellation an email from 4HOnline will be sent to ALL of our volunteers and or members and families depending upon the event being cancelled.

Enough about winter...let’s look forward to spring with this newsletter.

Please read carefully, there are a lot a really great things in this newsletter and I don’t want you to miss out.

Sincerely,

Alicia Schroeder-Haag
4-H Program Coordinator

Hello Everyone-

The New Year has started and we are now in full winter mode, the snow and cold is officially here to stay and will be with us for the next several months. There are many winter adventures to explore outside- ice skating, snowshoeing, cross-country skiing and down-hill skiing to name a few.

It’s never too early to start on those 4-H Fair projects—don’t let the cold keep you from getting a jump start on those projects. With some project learning opportunities coming up in the community this is an easy way to help keep ahead of schedule- July will be here soon enough (along with the heat).

As we are all waiting for another winter to come to an end, take this time to enjoy the weather by taking an adventure outside or take time to relax and prepare yourself for the next season. Planning is a huge part of being prepared for the next season- plan for your fair projects or get a jump start on your record book.

In case you are not much of the outdoor adventure type there are plenty of indoor activities coming up for everyone to keep busy with- Drama Fest, Basketball Tournament, Woodworking, or See What’s Cooking. Anything you pick will keep you active and adventurous this winter season.

Stay warm and stay active- the warmer weather will be here soon!! Keep making the best better!

Club Officers “Carry the Torch” to Better Decision Making!!

February 2, 2019, all of the Outagamie County Club Officers were invited to attend the “Super Club” ½ Time Event at the 10th Frame. Attending members, leaders and parents had a great opportunity to learn about how to help their club make decisions and how to involve every member. These interactive techniques were featured by Emmalyn and Lisa Spranggers; from a workshop they attended at the 4-H Fall Forum. Simple yet effective ways to get even that shy member’s opinion heard! Small group discussions with each officer closed the educational portion of the event. Bowling was again a highlight of the day, followed by a lunch and review.

Thank you to the following adults who assisted. Our featured guests included Rose Rynish, Sue Erdmann, Joan Behle, Jeanne Baum, Mary Hoefer, Duane and Sheila Vander Zanden, attending parents and Amy Beck. Thank you to the following clubs who were able to have representation: Country Slickers, Valley Eagles, B-Square, Buchanan Badgers, Smile Awhile, On The Go, Bent Arrow, Youth Leaders, Wolf River Beavers and Fairview. Those clubs wishing to learn more, please contact the Club Mentoring Committee.

Thank You Corner

Family Learning Day was a success! Thank you to all of the youth leader volunteers, presenters and their assistants, our adult leaders, and our Extension Support Staff! We hope that everyone enjoyed their time and learned something new about their project and the Outagamie 4-H program! Cannot wait to see you all again next year!

A big THANK YOU goes out to Sheila Vander Zanden, Mary Hoefer, and Phil Hietpas for all the work they have done on our Mentoring Committee in the past few years. It has been wonderful having the three of you available to help with officer training and club questions.
April Leaders Meeting Education

The next Leaders Meeting is April 29th at 6:30 pm at Center Town Hall. We are asking leaders to be prompt as we will be hosting 5-Stones for our education segment of the meeting. Below is an overview of their presentation. This presentation is NOT suitable for children under 12.

5-stones is a non-profit organization focused on the education, awareness, collaboration, networking and prevention of human/sx trafficking. Our goal is to bring an awareness of the dangers on the sex trafficking industry and its impact on our youth and communities throughout Wisconsin. The format of the presentation is education through film clips, powerpoint and facts depicting the way three individuals are caught in the world of this insidious industry. “INNOCENCE SOLD” features the story of Sabrina lured into sex trafficking, her trafficker, Matt; and her friend Andrea. 5-stones ultimate goal is to “protect our youth.”

Congratulations to MaryBeth Wohlrabe on the birth of her baby, Fredrick (Freddie), on Dec. 30. Both mom and baby are home now and doing well. We cannot wait for MaryBeth to return to work.

Please note that MaryBeth’s position has shifted a bit. MaryBeth is now the Positive Youth Development Educator for Outagamie County. As the PYD Educator she will design, deliver, and evaluate research-based educational programming and services to respond to statewide and local issues. Her areas of focus will include assessing community needs related to the positive development of youth, leading initiatives and collaborating with organizations to respond to youth issues, building community capacity to address issues that affect youth, engaging young people in addressing community needs, and linking university resources or provide youth development education and training to youth-serving organizations. What does this mean? We will still see MaryBeth educating in some of our 4-H programs. Her main focus, however, will be serving youth in our community outside the scope of 4-H.

Join us in congratulating MaryBeth on her new baby and new role in Extension!

The 4-H specialty license plate is now available through the Wisconsin Department of Motor Vehicles. Bearing the 4-H Clover and the message “Empowering Our Youth”, the plate offers the opportunity to show support of the 4-H program, as well as make a financial contribution. The sale of each license plate will include a monetary contribution to the Wisconsin 4-H Foundation.

Half of the proceeds from every plate sale will go back to the county where the licensed vehicle is housed, and the other half will be used for state and regional 4-H programs. Counties with license plate sales will receive a disbursement from the Foundation on a yearly basis, with a check payable to the county’s Leader’s Association. The funds may be used to support the county 4-H program under the direction of the County Educator.

Contact the Wisconsin Department of Transportation directly or visit www.wisconsindot.gov/Documents/formdocs/mv2969.pdf for more information about the process to order the plate.

Communications

We have a lot going on in our 4-H program and don’t want you to miss out on any of it. There are many ways for you to get the information you are looking for. Here is a list of how we share information with you: Bi-monthly newsletters, Facebook, Instagram, Twitter, YouTube, 4-H Minute, postcards, mailings, 4HOnline, e-mails, and the occasional phone call or text. With all these different ways to communicate, and so much information, we are always looking to improve our communications. One suggestion might be to streamline our methods of delivery and also ask for help in sharing information. We are currently looking to restart our Outagamie County 4-H Press Team and working to improve communications to and from our office. If you are interested in the Press Team or have any ideas on how to improve these areas please contact Alicia 832-5127 or Alicia.Schroederhaag@ces.uwex.edu.

In an effort to make better use of our money and be better stewards of the environment, we will be sending paper copies of the newsletter to families that have submitted a request. The newsletter will be available digitally on our website and 4HOnline as well as emailed to all families. This is the last issue you will receive in the mail this year! If you would like to continue receiving paper copies of the newsletter you must contact our office. Either mail in the form below or contact Vicki at 832-5123 or vicki.handschke@outagamie.org.
