

Focus on Forage

Optimizing forage production in Wisconsin

Focus on Forage is a FREE, 7-part webinar series highlighting research-based information and farmer strategies to optimize forage yield, quality, and profitability in Wisconsin. Webinar speakers will include former World Forage Superbowl farmer winners, forage industry experts, Extension Educators, and Nutrient and Pest Management Outreach Specialists.

Pre-registration is required by 5 pm the day before the webinar.

A Zoom link will be emailed to registrants.

1 CCA CEU is available for each webinar.
