## Our Mission

Many grandparents or relatives who are raising children are turning to each other to find the comfort and help they need.

The Relative Support Group of Outagamie County focuses on the roles grandparents and relatives play, and provides an opportunity to meet others who share similar experiences, knowledge, strengths, and hopes.

The support group provides a place to belong and a network of support.

The Relative Support Group meets on the third Tuesday of each month at 5:30pm via Zoom. We do not meet during the summer months. An incentive is provided for those who attend.

We plan to resume meeting in person as soon as it is safe to do so. Meals & Child Care are provided at no cost when we begin to meet in person again!

## GROUP TOPICS

Meetings typically consist of a guest speaker on relevant topics such as:

- Loss & Grief Issues
- Dynamics of Kinship Families
- Legal Issues & Permanency
- Hope & Resilience
- Parenting Two Generations

The meetings will also include time for a short discussion and support.

Meeting topics are mailed out prior to each month's meeting.
