

Outagamie County 4-H

Foods & Nutrition Newsletter

August 2021

We hope that you had a great fair!!!

In the June newsletter, we had the following challenges.

- ✓ **Question:** How many entries are there in Foods for the 2021 Outagamie County Fair? This would be Class A only.
Answer: 106 entries
- ✓ **Question:** How many entries are there for Food Preservation for 2021 (Class B)?
Answer: 27 entries
- ✓ There were also 6 Foods Revue entries.

The Foods Committee would like to know what you think of this Foods Newsletter!!

Somewhere in this issue we hid this image -
When you find it, email katie@stilles.org
with where you found it for a chance to win a gift card.

What bread has the
worst attituded?

Sour-dough!!!

See What's Cooking

Whew! You did it!

You made it through the 2021 Outagamie County Fair! Wasn't it fun to be in person again? I sure enjoyed taking pictures of the entries this year. Were you able to view yourself on the T.V. screen? So many food entries have to be tossed out due to spoilage that we felt by taking pictures of each entry; this would allow fair-goers the opportunity to visually enjoy what you made. We committee members are so proud of you and your accomplishments. You should be equally proud! As I stood behind the judges, I could see your proud faces. Maybe many of you were just relieved to have your food item make it to the fair and entered. 😊

However, I believe it was more than that. I saw how you listened carefully as the judge spoke to you. You would answer the questions with confidence. You came in prepared and ready to receive your results. Thank you for all of that. As a leader, it is our hope that your feeling of accomplishment is what shines no matter what the ribbon. I could see that you were willing to learn from the judge so you can make improvement perhaps, for next year. Those are the life skills that 4-H can offer to build our members up to become leaders in what you started out to do. Thank you for being a part of the 4-H Foods Project is year.

We hope you join the Foods and Nutrition project again next year! Food Preservation also!

Preparing for the Outagamie County Fair Notes from the Fair Superintendents...

Greetings to everyone! Wow what an exciting Outagamie County Fair! You all have so much to be proud of. We were very impressed with the Foods and Nutrition and Food Preservation entries this year. The judges commented to us about the great job that all of you did with your entries. It was difficult for the judges to decide the Merit Award winners because so many entries were deserving of the award. You were careful to transport your entries to the Fair safely and you followed the Fair Premium Book guidelines. You were able to discuss with the judges how you prepared your foods and/or canning items. You were able to demonstrate your learning and the knowledge you have in the Foods and Nutrition/Food Preservation project. The entries made for a beautiful display for fairgoers. Thank you for taking the time to have your picture taken so we could show all exhibitor entries on the television.

Again, thank you for the great job you did and we look forward to seeing you at the 2022 Outagamie County Fair.

Joanne and Penny
Fair Superintendents
