Tips for Doing Your Cover Letter and Résumé

- **Plan ahead.**

- Go through each part of the résumé and cover letter before typing.
- Use your past trip applications and old record books to help you.
- Put your thoughts together.
- Translate your skills into action oriented, concise descriptions.
- As much as possible, think of your 4-H experiences as a job. What do you do? What skills have you developed as a result of participation in 4-H? How have you personally changed as a result of your 4-H experiences?

You will need two recommendations.

- Make sure that your references have plenty of time to fill in the recommendations.
- You will also need to let them know when it is due at the Outagamie Extension Office.

- **Layout, design, and abbreviations.**

- Your résumé should be easy to read and understand. Use a computer!
- Arrange your résumé as illustrated in the sample outline provided.
- Choose a common and professional font, such as Arial or Times New Roman.
- Your font size should be no less than 11 point and no larger than 12 point.
- Use the same font throughout your document.
- Use 1" margins at the top, bottom, and both sides of your page.
- Your résumé may be two pages long, but no more than two pages.
- Avoid using too many abbreviations, as not everyone is familiar with them. If you do use an abbreviation, please include what it means in parenthesis after the abbreviation the first time it is used in the résumé.

- **Proof it.**

- Your documents should be free of spelling and grammatical errors.
- Use spell check if you have it.
- We recommend having at least two people proofread your résumé and cover letter.

- **Ask for help if you need it.**

- If you have not gone through this process in the past, you may have questions. Do not hesitate to ask! The Outagamie County 4-H Travel Scholarship Committee members are more than willing to help you. Call the Outagamie Extension office (832-5122) for committee member names and phone numbers.

- **Other helpful advice from reviewers:**

- Never leave a section blank.
- Avoid negative comments.
- Include future goals to show growth.
- Include personal insights, thoughts, or understanding gained after the event or experience.
- Reminder: this is a professional presentation of your 4-H career, and your whole submission is reviewed as a total visual presentation (résumé, cover letter, portfolio, color, design, layout, etc.)

The Portfolio

A portfolio is a tool that visually illustrates and supports what you have written in your résumé and cover letter.

What Needs to Be Included in the Portfolio

(if applying for more than one educational travel opportunity, please answer different questions for each application)

On one page, pick one of the following topics and respond to it. Be sure you give specific examples in your response. **(Approximately 300 words)**

- 4-H provides opportunities for developing leadership. Explain your most meaningful 4-H leadership experience.
- Discuss how the skills and experiences you have gained from 4-H are different from your classroom education.
- Describe how you have given back to your community through your 4-H involvement.
- Talk about the biggest lesson you have learned through your 4-H involvement.
- What is your favorite project and how have you grown in that project throughout your 4-H years?
- How do you see 4-H playing a part in your future?
- What would you say to others to encourage them to join 4-H or stay in 4-H?
- How has 4-H molded you into who you are today?
- How did you benefit from the youth-adult partnership that 4-H offers?

On another page, pick a second topic from the above list and respond to it. Again, be sure to give specific examples in your response. **(Approximately 300 words)**

On the next pages (2-4 pages for this section), pick your top 3-4 projects. Visually illustrate what you wrote in your résumé about that project. Use no more than 2 pages per project and no more than 4 pages total. Colored illustrations enhances presentation and is visually more appealing.

For example, if you listed skills learned from participating in an animal project, then you might include pictures of your project animal; a summary of your record book, results from the Livestock Market Animal Sale, and a short summary of your accomplishments could be put on this page. You should tell a visual story of your projects. You may include captions or written explanations.

If you listed skills learned from participating in cultural arts, you might include pictures of your work, comments from the judge (written and summarized) and a short summary of your accomplishments could be put on one page.

Assemble your application packet: Cover letter, résumé, and then portfolio.

The packet should include at least 6 pages and no more than 9 pages total.

Remember this is a professional presentation that should be visually appealing
