

Attention Members

Below is a sample form that the record book selection committee will use when nominating record books for awards.

UW-MADISON EXTENSION

Outagamie County 4-H

Record Book Project Award Categories

Instructions: Project Award discs are available for the projects listed below (bulleted projects have a picture disc; others will be engraved with the project name). While reviewing the record books, circle any project category or individual project you are considering for awards and list the projects for nomination below. Place this entire sheet inside the front cover of the record book (if being considered for county awards). You may nominate a member for up to four awards.
