## WHAT IS 4-H?

4-H is a youth organization aiming to “enable” young people with skills to lead for a lifetime” and to “make the best better.”

Youth are members of community clubs where they meet monthly to learn life skills such as leadership, communication, teamwork, critical thinking, and dedication. 4-H members are actively involved in countless hours of community service each year.

Youth pick out projects that interest them when enrolling in 4-H. They might choose an animal project such as dairy, beef, or swine or maybe they will decide to learn about woodworking, robotics, foods, birds, or mechanical sciences.

Outagamie County has a 4-H membership of over 500 youth who are guided by almost 200 volunteers.

“4-H is more than an organization  
it is an interconnected  
web of people with  
more bonds than just  
the surface” - Beth
