# Project Updates

## Cloverbud Challenge

The Cloverbud Committee is challenging all Cloverbuds to experience much of what 4-H has to offer. Between now and the 2023 County Fair, complete the tasks on the Cloverbud Bingo Card printed in the March/April Connections Newsletter page 4. Prizes are Dairy Bar vouchers to be used at the 2023 Outagamie County Fair! Grab a sandwich or malt for all your hard work. A \$1 prize will be awarded for a standard (horizontal, vertical, or diagonal) Bingo. Win up to a \$5 prize!

## Poultry & Rabbit Fun Show

Saturday, May 13, we will be having a Poultry & Rabbit fun show. To enter in any of the contests that day, it will be \$5 at the door per youth participant or \$10 per family. The cost will pay for prizes and raise money for fair awards and the small animals project. The fun show does count as a required meeting.

There's no limit to how many rabbits or birds you can enter in the fun show. Birds entered in the fun show or showmanship do need to be flock tested so if you did not get flock tested for the fair last year, you will need to have your birds tested in the parking lot before entry to the building. We will test each bird at a cost of \$1 each (max \$10 total) but will only test birds that are being shown that day. If you have valid flock testing papers from last year, please bring them along.

We will also be hosting a bag raffle. All poultry & rabbit members are requested to bring an item to donate for the raffle. This can either be dropped off at set-up on May 12 from 4-6 p.m., brought to the homes of one of the Small Animals committee members (Karen Kuhn, Sarah Spiegel, Laurie Penterman, Dan Kuhn, or Beth Casper), or dropped off at the fairgrounds no later than 8:30 a.m. on Saturday morning.

## Poultry Flock Testing

We will be doing flock testing on May 20 and June 17 at Karen Kuhn's from 9-11 am. When we flock test, we are testing for Salmonella Pullorum and Fowl Typhoid. Although not commonly found anymore (due to nationwide required testing for the past 30+ years), these are dangerous diseases that can wipe out flocks. These diseases are most commonly found in sexually mature birds. Therefore all poultry over four months of age, except turkeys, must be tested at that time. This includes ALL poultry that you have at your home, not just the ones you plan on showing. Turkeys require testing if they are over six months of age as of the fair, or if you have any turkeys on your property over six months of age, even if you don't plan on showing them. This is a separate test that our program doesn't test for. If you need to have your turkeys tested, please contact your vet.

## Horse Project News

The Horse project meets once a month on the 4<sup>th</sup> Tuesday of the month from January through June, and October at the Center Town Hall, at 7:00 pm. Our clinics start in May and will be held at the Fairgrounds in Seymour.

Exciting news for the Horse Project this year as we have 12 youth who will be participating in the State Horse Bowl and Hippology competition on May 13 at the Dodge County Fairgrounds. They have been meeting since January studying about horses including equipment, nutrition, bones, body parts, illnesses, horse racing, rodeo, and more. Our beginner team has three members Emma Brisson, Heidi Janezic, and Kensley Breaker. Our intermediate team has four members Esme Marcin, Sofie Wheaton, Carson Van Driel, and Allison Maass. Our senior team has Keira Leitermann, Dylan Leitermann, Lydia Ewing, Kaiya Wheaton, and Grace Van Driel. Wish them well!

## Knitting and Crocheting

Anyone with questions about their knitting and crocheting projects can contact Ellen LaMarche 920-450-6327 or Lois Bittner 920-733-0937.

# Outreach Events

We need your help! As events start to open, we must be prepared to attend opportunities that will help us promote 4-H and grow our enrollment. Our committee is small and will need members, adults and animals too, to assist us with single events. We would like to formulate a list of volunteers that we can call. As you can see, this committee is active! Please reach out to a committee member to sign up. Also note that some of the events may change and are yet to be determined. However, if an event is one you can commit to, please reach out to the point of contact listed in each description. There will be more opportunities in August through October that we will need help also.

Each club is expected to have at least one or more members from each family to work at least one shift at the Outagamie County 4-H Dairy Bar. If each family would have at least one parent/member (age 12 and older) work a full shift, we would fill every shift. Keep in mind this is the major fundraiser of the Outagamie County 4-H Leaders Association and the money raised helps our youth in many ways.

Examples: membership dues, annual accident insurance, project trainings, materials, scholarship to attend trips, and educational programs.

**We need your help** because without you we would not be able to fund these fantastic programs for our youth. Also, please ask any alumni you might know to help out. Thank you in advance for your help.

Process for Signing Up to work the Dairy Bar:

- Sign up for working the Dairy Bar will be Saturday, June 10 – at Tammy Stille’s home, N4389 Hample Road, Black Creek.

Most rehearsals will be on Thursdays, a schedule will be announced at the first rehearsal. 4-H band is open to anyone who can play a band instrument. If you are someone who has not played in a while or does not have an instrument, no worries, we can find an instrument for you to use, and it is surprising how fast playing an instrument comes back.

The Outagamie 4-H Band will perform at the Outagamie County Fair on Thursday, July 20 and Saturday, July 22. I hope to see all our previous members and many new members on June 15.

# Club Corner

Take a look at what our clubs are doing! Please submit your club's monthly report to Vicki at [vicki.handschke@outagamie.org](mailto:vicki.handschke@outagamie.org) and your club may be highlighted in the next newsletter!

## Bent Arrow 4-H

President Jake began the meeting by asking the members to recall the previous 4-H activities. Members took a moment to tell the club about activities such as the Meat Processing Workshop and the Youth Leader Meeting. Reagan said the Meat Processing Workshop attendees made snack sticks while Lily said they played an Oreo game at the Youth Leader meeting.

President Jake also mentioned the opportunities coming up such as the Unique Planter Contest and the Timber Rattler game on May 18. He also asked for volunteers to do the club planter or set up an educational or promotional booth to enter in the fair. James said he would help with the club planter and Lily said she would also help set up the educational or promotional booth.

Afterward, artists Cindy and Autumn visited the members to host a fun ceramics activity. They let the members borrow painting supplies to paint a ceramics project and gave them an introduction to dry brushing. Many of the members enjoyed the activity.

Our next meeting will be a bowling event on May 1, 2023.

## Fairview

During the March meeting, we decorated and filled 70 Easter baskets for the Salvation Army families. The kids are going to love receiving these on Easter morning! Also, Bryce gave an interesting demonstration on CPR.

Reporter- Kaiya

## B-Square

We had everyone who has a March birthday come to the front and say how old they are going to be. We then talked about project updates. We had members who attended family learning day talk about what they did. We also had a member talk about the dairy quiz bowl and another about the clothing learning day where they made pillow-cases. Members talked about the drama festival and we talked about how that might be something our club is interested in doing. We were informed of an upcoming photography project learning day as well as the music and talent festival. Camp sign ups, both cloverbud and adventure day camp are ready to register. There will also be a rabbit project learning day and a small animal fun show and swap. We talked about the youth leaders meeting for March and were reminded to sign up for pumpkin and sunflower seeds to participate in the contest.

After this we had two demonstrations. One was on how to draw a dinosaur and the other was on how to make a pop up heart card.

Our old business was very short, our check to the youth leaders for helping the homeless was mailed along with the money we raised from our snack box auction we held last month. We talked about the dairy bar at fair and everyone 12 years and older were encouraged to sign up. Our club also has a new instagram page so members and their families were welcomed to follow it for important news and updates.

After this we had two crafts. We made fortune tellers which was lead by one of the members and then we made the pop up heart cards from the demonstration before.
