

2023 Regional Council Corn Silage Drydown Events

The Outagamie Forage Council/Midwest Forage Association (MFA) in partnership with Extension Outagamie and Winnebago Counties, Fox Valley Technical College (FVTC), and Tilth Agronomy will sponsor five **2023 Corn Silage Dry Down** events. Farmers and consultants should bring **4-5 stalks** from **each field** for testing.

Dates and locations are listed below. Samples that cannot be processed on site will be taken to Dairyland Laboratories in De Pere for testing and results will be available the following day on the Extension Outagamie County website at <https://outagamie.extension.wisc.edu/> and the UW-Madison Division of Extension Corn Silage Drydown website at <https://cropsandsoils.extension.wisc.edu/corn-silage-dry-down/>.

Thursday, September 7, 12:00 p.m. (noon) – 2:00 p.m.
