### Children's Big Read with Fang

9:00 - 10:00 am, Timber Rattler Stadium, 2400 N Casaloma Dr, Appleton

Follow along with Fang as we read "Deena's Lucky Penny" where we discover the main character, Deena finds a lucky penny in the grass and uses it to start saving for her mother's birthday present. Following the book reading, children will break into small groups to play a coin counting game, draw a savings goal and even decorate their very own piggy bank! Don't forget to stick around and get a picture with Fang! A free book will be given to the first 25 families and each child will be given a piggy bank to decorate.

Suggested Age: 4-8

## Monday, April 7

### Children's Big Read

10:30 - 11:30 am, Seymour Library, 436 N Main, Seymour

Join us for story time! We'll read a children's book, talk about saving money and decorate a piggy bank. The first 25 families will receive a free book and each child will be given a piggy bank to decorate.

## Tuesday, April 8

### Planning for College Simulation

4:30 - 6:00 pm, Fox Valley Technical College, 1825 N Bluemound Dr, Appleton

Whether you're already enrolled in college, or are starting to plan your educational journey, make a plan to join us! Head to Fox Valley Technical College for "Money Smart Week". There, you could learn more about what the college experience could be like for you on a daily basis through an interactive simulation. As you navigate this simulation, you'll get answers to questions about student aid and personal financial decisions. Plus, enjoy a bit to eat and beverages. Hosted by Certified Financial Counselors from Goodwill Financial Wellness Services, Fox Valley Technical College Financial Wellness Coaches and their financial team.

## Wednesday, April 9

### Children's Big Read

10:00 am, Appleton Public Library, 200 N Appleton St, Appleton

Join us for story time! We'll read a children's book, talk about saving money and decorate a piggy bank. The first 25 families will receive a free book and each child will be given a piggy bank to decorate.

### Bite of Reality

10:00 - 11:30 am, Valley New School, 122 E College Ave #B, Appleton

Bite of Reality is a 'Real World Simulation' that guides students through a day in the life of an adult. The students make personal financial decisions in every area of life. Each student is given a persona that includes an occupation, income, family description, credit score, possible debt, and student loan. Students from booth to booth hosted by community volunteers where they make decisions about housing, transportation, groceries and dining, childcare, etc. Suggested Age: 13 and up.

## Saturday, April 12

### FREE ADMISSION DAY with Make Money Count

9:00 am - 4 pm | Building for Kids, 100 College Ave, Appleton

Throughout the day, the museum will have activities that help kids and their grown-ups learn about earning, spending, sharing, and saving money. Families will be encouraged to choose a job to earn money, will have to track their expenses, brainstorm how they would like to share their money, and finally save their money at the museum's Littlest Branch Fox Communities Credit Union. When families complete the Make Money Count activities, they will have the opportunity to choose from prizes! Join us for story time at 10 am and 2 pm. We'll read a children's book, talk about saving money.
