

UW-MADISON EXTENSION
OUTAGAMIE COUNTY

December 2025

TO: OUTAGAMIE COUNTY 4-H LIVESTOCK PROJECT FAMILIES, LEADERS and FFA ADVISORS

Welcome to the 2026 Outagamie County Youth Livestock Program. Project information and educational activities for beef, swine, sheep, and goats have been planned by your county youth livestock committee and are included in this mailing. We hope that our 4-H and FFA livestock program projects provide a meaningful and fun experience for your family this year. The County Youth Livestock Committee looks forward to working with you this year.

Officers of this year's committee are:

- Chair – Steve Hackl
- Vice-Chair – Therese Schroeder
- Secretary – Keira Leitermann
- Treasurer – Melanie Nooyen

Your county resource leaders are:

- Beef – Steve Hackl, Diane Jarvais
- Swine – Steve Green, Pat Rynish
- Sheep – Tim/Therese Schroeder, Jimmy Peters
- Goat – Terry Wolter, Morgan Wedemeyer, Scott Wedemeyer

All members who plan to have their animals in the market sale must have educational meeting and YQCA certification requirements met.

Educational Requirements:

All youth must complete an educational activity for each livestock project enrolled in or another approved educational meeting in the state or region. Virtual or non-virtual activities will meet this requirement, however, all members must have a completed Project Meeting Attendance Verification Form and submit it to the Outagamie County Extension office. You can find this form at <https://outagamie.extension.wisc.edu/files/2020/02/livestock-verify-meeting-2020.pdf>

Youth that would like to submit a research paper on a topic, please verify the topic with the resource leader of your project species, and upon completion, submit the paper to the resource leader and send a copy to the Extension office.

Additional opportunities for Educational Requirements include:

- family learning day appropriate for species
- meat processing workshop
- judging teams/quiz bowl
- fitting & showing clinics

Livestock Judging:

Practices will begin in late Jan. or early Feb. Please keep an eye out for an email blast with more information as time gets closer. Coach contact information will also be coming soon.

YQCA Requirements:

All members must be YQCA certified by June 12, 2026, if they wish to sell in the market sale. YQCA is not required to show at the Outagamie County Fair but is highly recommended. If you are selected as a grand or reserve champion, you cannot sell if you are not YQCA certified, regardless of age or years showing.

All YQCA information was emailed to all members in December. Youth may choose either in-person or online training. To become certified, all youth must register, pay for, and complete the training. Details on navigating the YQCA website

were included in the email. Any questions, please contact Amy Beck at Amy.Beck@wisc.edu

We will host two in-person trainings at Seymour High School on January 5, and February 10, 2026 at 7:00 p.m. **All youth must pre-register** for Outagamie County in-person training at <https://YQCAprogram.org>. NO walk-ins allowed.

A quiz to verify your attendance will be given during the presentation and must be handed in to the instructor before leaving the training. YQCA does not count as an educational meeting for beef sheep, swine or goat projects. Outagamie County Extension will verify all youth who have completed their certification. Make sure that when certification has been completed parents or youth email Amy Beck at Amy.Beck@wisc.edu.

ID Tags

Resource leaders will distribute animal ID tags at all in-person Outagamie County YQCA trainings and at the March Educational Meeting. For anyone who cannot pick up their tags at one of the trainings contact the resource leader of your species and make arrangements for pick up.

Cost of tags are Sheep, Goats, Beef, \$2; Swine \$3. Each member is allowed to purchase up to 6 tags per species.

All market beef animals must have market tags and pictures of the animal(s) with tag(s) in their ear uploaded to Fair entry online by Jan 15th to qualify for the fair market sale. All market sheep, swine, and goat animals must have market tags and pictures of the animal(s) with tag(s) in their ear uploaded to Fair entry online by April 15th to qualify for the market sale. Failure to do so will result in those animal(s) getting moved to the end of the sale order.

Replacement tags **will not** be for sale after the specified deadlines. If tags need to be replaced please contact your species resource leader and they will be retagged at county fair by your resource leader/superintendent.

If you do not have an ear tagger or you have difficulty tagging please contact your resource leader for help.

Contact Steve Hackl(beef superintendent) 920-843-2305, Steve Green (swine superintendent) 920-362-4025, Tim/Therese Schroeder (sheep superintendents) 920-284-5272 (Therese also has the goat market tags). If you have any questions, need help, or need to pick up tags.

Livestock Educational Meeting:

March 14, 2026, 9 am-10:30 am at Seymour Municipal Building. This will be an educational meeting that will work towards the exhibitor's educational meeting requirements for all species.

Livestock Fitting & Showing Clinics, Seymour Fairgrounds: Your county youth livestock committee will be planning fitting and showing clinics. Dates are:

- Beef – Thursday, May 14th, 6 pm-7 pm
- Sheep – Thursday, May 14th, 7pm-8pm
- Swine – Saturday, May 16th, 8:30 am-10 am
- Goats – Saturday, May 16th, 10 am-11:30 am

These clinics will give you additional assistance in preparing your animal(s) for the county fair in June. Watch for updates in the 4-H family newsletters.

2026 Area Animal Science Day:
